

RADICAL DREAMING

Visions
Imaginations
Realities

1st EDITION

Dreaming the Future of Mobility
08.02.22, 17:30 - 19:00

@42 Berlin, Harzer Str. 42,
Neukölln

Want to share your dream?
Reach out to josef@42berlin.de

42 Wolfsburg and 42 Berlin are not solely educational institutions.
We bundle the power of imagination to release utopian energies.

Radical Dreaming invites tech professionals to explore the potential of code and digital technologies to realise our dreams for the future, together with the next generation of software engineers.

Guidance for dreamers

What do you dream of / what dream are you working towards realising? What potential do code and technology offer to realise your dream? What technology is available today to make your dream a reality? How would the world be a better place if your dream became a reality?

- + Slides allowed
- + Why not use an AI image generator like Dall-E to visualise your dream and share during your presentation?
- + Share your short bio and profile picture with josef@42berlin.de
